Sub: Case for Pension Adalat – A request for updating web-site of the CCA Gujarat, Ahmedabad.

Respected Sir,

1. We are happy to know and note that your office is maintaining web for your office and for the DoT/BSNL Pensioners as well. We regret to write that in comparison with similar webs of other CCAs our web is very poor. We request you take suitable action in the matter.
2. Further, the information of holding Pension Adalat on 18.09.2018 was posted to the Association and it was received by us only on 11.08.2018 afternoon. We had placed the news on our web on 13.08.2018 but the Pensioners were feeling that they are not given the sufficient time to submit their grievances. Further, the last date of submission was required to be kept as 15.08.2018, means on the next day as per the notification of DOPPW. But the said date was advanced by one day without any authority.
3. Further, the Press of Gujarat Circle has not carried the said notification which is being done each time. We would like to as to whether the press were approached for the same.
4. Further we would have appreciated the gesture of sending the messages on the Cell number of Pensioners only on 13th and 14th, 2018 which was a step to ridicule the pensioners. If at this would to be done, it should have been initiated in time. Hope the due note will be taken for the lapse.

With regards,

Yours Sincerely,

(D.D.MISTRY)
Secretary BSNL/PSU
BHARAT PENSIONER SAMAJ.
